In **your session**, I will read your chakras, then draw and interpret what I see. In reviewing your past, present, and future, the two of us will determine the spiritual causes of any physical or emotional situations. **In addition, the spirits of your late loved ones who check in will be welcomed and their messages will be conveyed to you.** Personal sessions are always interesting and enlightening!

Initial Personal Session (1.5 to 2 hours).....	\$135.00
Subsequent Sessions, each (1 to 1.5 hours).....	\$115.00
Package of Three Readings	\$345.00

Package of three must be used within three months. Packages may be shared between clients. Limits may apply.

Couple and family rates are also available. Because referrals are always very much appreciated, please accept a discount for yourself when you refer a friend.

Sister Mystic Home Events

Home Events offer two options: a Group Reading or Individual Readings. A Group Reading is much like a Public Spirit Reading, in which guests gather in one room to experience spirit communication. The Individual Readings format offers each of your guests the chance to have a 10- to 15-minute reading in a private room. Either format lasts for two hours, so individual readings are timed accordingly.

Home Event \$25.00 per person, \$200 minimum*

* In addition, partial or full travel reimbursement may be required outside of the greater Austin, Texas, area.

Sister Mystic Public Spirit Readings

After explaining how readings work, I take a moment to focus on images and sounds that come into my mind. I usually have a good idea of which living person in the room the spirit belongs to. Once I determine who the spirit is coming through for, I tell that person or those people (such as members of a family) what messages I am receiving.

Public Spirit Readings..... \$35.00 per person on-line, \$40.00 at the door

Sister Mystic E-Mail Queries

A Query is your opportunity to ask a question or describe a situation and have me put my intuition to work for you. I am usually guided to use automatic writing, a form of channeling, to answer E-Mail Queries.

Sister Mystic E-Mail Query (available on-line)..... \$25.00

*All fees are subject to change without notice.
